“Beneficiary” field for Concession Items

Asycuda World Detailed Declaration SAD form now has a “Beneficiary” field in box 44 to record the name of person/organization benefiting from concession.

This Beneficiary field is a drop-down list with names of organizations. If your beneficiary name is not available in the list, please type it in the very next field.

It is critical to Customs Administration that the beneficiary name be provided for every item where a CPC is used in box 37.
