

RESTRICTED ITEMS & PROHIBITED ITEMS

Importers are sometimes unaware of requirements and/or prohibitions relating to importation of goods. This results in them being in contravention of the Customs Ordinance.

Ignorance is no excuse under the law, instead TCIG Customs would prefer to have knowledgeable customers who are compliant with the rules and regulations rather than to penalize.

Such items include :

- **Controlled Drugs & utensils used therewith (strictly prohibited)**
- **Firearms, ammunition and explosives (including fireworks) only with valid license**
- **Plant and animal products (only with valid permit)**
- **Soil, shells, skins and other plant and animal by-products (only with permit)**
- **Obscene items or pornographic literature, films, DVD's etc. (prohibited)**

Please note that this list is subject to change as items are added and taken off as the Government dictates.
