

04 September 2018

## PUBLIC NOTICE

Dear Valued Customers:

Please be advised that whereas internet services have been restored to most of the island of Grand Turk, brokers are now required to submit all proper entries that were released on Pre-Entries no later than the 5<sup>th</sup> October 2018

Brokers who do not have access to the internet can make use of the computer terminal at the Customs Warehouse, South Dock, Grand Turk.

Failure to submit all proper entries will result in delay of releases until the proper entries are completed

We look forward to your full co-operation in this matter
