NOTICE TO IMPORTERS

We wish to urge all ASYCUDA World users, including Agents, Brokers, Declarants and Importers of the importance of inputting accurate details when submitting Customs Entry Declarations (SAD).

The information you provide on these declarations are vitally important for various reasons, therefore we ask that you exercise prudence when entering specific details to complete entries (SAD).

Along with all other mandatory fields on the Declaration (SAD), we require that you exercise precision when entering the relevant information in **Box 11 (Trading)**, **Box 15 (Country of Export)**, **Box 16 (Country of Origin)** and **Box 34 (Country of Origin)**; these should reflect the proper details obtained from the Invoices or Bills of Lading/ Air Way Bills (Way Bills).

We remind you that it is an offense to submit false information on any document to Customs and there are severe penalties for untrue declarations.

We ask that you properly verify the information on your declarations before submitting it to Customs.
